

ProAm Golf Shop Announces Callaway Trade-In Event Featuring Largest Selection of Golf Clubs

August 25, 2026

HONOLULU, HI - August 25, 2026 -

ProAm Golf Shop in Honolulu has announced a limited-time Callaway trade-in event offering double trade-in value on qualifying clubs toward the purchase of Callaway Quantum Clubs. The event gives Hawaii golfers an opportunity to upgrade their equipment while receiving twice the standard value for the clubs they trade in.

Under the terms of the promotion, golfers who bring in eligible clubs will receive 2X trade-in value applied toward Callaway Quantum Clubs. The offer is available for a limited time and coincides with the shop's ongoing August and September Sale, which brings a range of seasonal savings to golfers across the islands.

Established in 1989, ProAm Golf Shop has grown into one of the largest golf equipment retailers in the state, carrying an extensive inventory of clubs, bags, apparel, and accessories. The shop maintains one of the Most Selection of golf equipment in Hawaii, allowing players of every skill level to find equipment suited to their game.

"The double trade-in value on Callaway Quantum Clubs gives local golfers a practical way to move into current-generation equipment," said Nathan Yoshioka, spokesperson for ProAm Golf Shop in Honolulu.

"Many players are holding onto clubs that no longer match their swing, and this event makes the transition more accessible while the promotion lasts."

The trade-in event is supported by the shop's fitting services, led by PGA Professional Rich Sung, who works with customers by appointment to match equipment to their individual playing style. Proper fitting is a central part of the trade-in process, ensuring that golfers who upgrade receive clubs suited to their needs rather than simply exchanging one set for another.

"Trading up works best when it is paired with a proper fitting," Yoshioka added. "The combination of the promotion and expert fitting means golfers leave with equipment that reflects how they actually play, not just the newest model on the shelf."

Beyond the trade-in event, ProAm Golf Shop continues to offer its regular services, including golf fitting and repair, re-gripping, and lessons. The shop provides 24-hour service on re-grips and offers competitive Most Selection, Best Prices on equipment and labor throughout the year. Customers who visit during the current sale period can also take advantage of discounts on grips and labor.

The shop's staff includes local golf experts who provide guidance on equipment selection, fitting, and repair. This service-oriented approach has been part of the company's operations since its founding more than three decades ago.
